TT – 10M EB – 3B SS – 11B AS – 3B CM – 3A EE – 11B	LEAD - L. Thompson M. Dunn-Outram T. Lee

OUTCOMES FROM PREVIOUS MEETING
Follow up regarding an Art activity = model club on Fri afternoons.

LT – Explained that due to the damage, we're unable to conduct our meeting in the Rec Room and this is why we are classroom 3 for the time being.

Children In Need day was supported by Oakfield by wearing pyjamas and a coffee morning with buns and £70 was raised.

Oakfield will be participating in the **Night Walk** on Saturday 4th March 17'. This is a 12 mile walk, and will be attended by the police, ambulance and fire service. It is estimated the walk will take between 7 and 8 hours. Pupils to volunteer themselves if interested.

Mr Bowsley wants to know what sort of things the students want to do for their **end of term rewards**. Suggestions made are as follows;
Rock City
Gravity
Rebound
Bike Ride
Ice Skating
Quad Biking at Elsham
Metrodome
Bridlington
Xscape
Billabong

LT explained about '**Thanks-Giving'** and what it is and reminded the kids of thanks giving theme day on Thursday.

Mugga - 3G £50,000 to resurface. Aaron has had a meeting with RD and decided the money could be better spent elsewhere. The mugga may be possibly used as a tennis court.

LT asked for any comments from those in attendance

EB– No comment
SS– No comment

School Council Meeting

EE
Asked for a GoPro camera so it can be used at D of E, and the Night Challenge etc.
Gym equipment – Ethan Lee and Arron are going to meet to discuss.
A room for the year 11's only – *(Lee suggested a residential house for Friday rewards as this has been done before and worked well)*

TT
Better football and rugby balls. Lee explained Residential are to buy their own (this is to stop it impacting on the PE lessons), Anthony buys them for breaks and Aaron for PE.
More IPADS – Lee said the ones in his office need to be used more frequently before the school purchase any more. as they
Tommy asked about an IPAD for residential and Lee advised that the residential council are in talks with Rachel about this currently.

Conner
Connor wants a wonder core for the gym.
Conner wants to do mechanics – Lee explained there is nobody who is employed at Oakfield is qualified able teach it but it is an option in College.
Full size pitches on field – Lee explained they are smaller due to class sizes being small and so the smaller pitches are more suitable.
Conner suggested spending money in rec room and Lee said the equipment in there now is underused – Wii, PS3 and XBOX. (It is reported that some console and games are missing and Lee will ask SB to look into this).

Alex
Swimming pool at school - Lee explained plenty alternate options are available.
Would like a net in sports hall.
Alex wants to extend climbing wall, Lee said one day but not yet, it will cost around £7,000.

Lee said rec room will be universal and Tracy suggested more girly things.

ACTIONS FOR NEXT MEETING
