| Review Date: | November 2019 |

POLICY STATEMENT

Context of Policy

Alternative provision is educational provision for students who are unable to access mainstream education for a number of different reasons, or who are unsuited to the mainstream provision on offer.

The school recognises that there is a need to ensure that our curriculum is inclusive and accessible, providing opportunities for all students to succeed. Moreover, we recognise the need to offer the type of provision that allows some students to achieve their potential outside of what is accessible at Oakfield School.

To facilitate this individual learning pathway, Oakfield school works with different local providers to help students who have struggles to reach their potential in a school based environment to succeed.

Objectives of this Policy

The objectives of this policy are:

- To outline the reasons why students might be offered alternative provision.
- To ensure that alternative provision is offered to suitable students in a consistent way.
- To provide guidance on the referral process and the suitability of alternative providers.
- To ensure there are suitable procedures in place relating to attendance and the safeguarding of students when under the care of alternative providers.
- To outline the arrangements in place for keeping in touch with students to monitor academic progress, behaviour and pastoral welfare.
- To guide and support staff with the monitoring and support of alternative provision.

Reasons why we might offer Alternative Provision

Students will be referred to alternative provision on the basis that this provision is more appropriate for them than what Oakfield School can provide. Some reasons might be:

- The student's strengths are not being developed through the national curriculum. Alternative provision recognises that students have different strengths and weaknesses and that mainstream education is not suitable for some. The emphasis on vocational education that some alternative provision offers may be more attractive and suitable to some students.
- The student has had one or more fixed-term exclusions and is considered to be at risk of permanent exclusion from school. Alternative provision is seen as a desirable alternative to permanent exclusion for student and to encourage their continued inclusion in education.
- The student has not been attending school regularly, and is therefore unlikely to achieve GCSEs. Alternative provision offers a different setting with a broader choice of subjects for students which may encourage attendance. Alternative provision may provide a greater opportunity for a student to a suitable post-16 pathway.
