- Can the full residential do a whole school second activity when we come back after the half term. **Get ideas from the pupils at the next children's house meeting.**
- Snacks on a night. Would it be possible to purchase items such as pot noodles; super noodles rather than just have the normal cereal. **Tracey (cook) to confirm this with TL but it should not be a problem.**
- Ideas for board games for the resi rec room. This included, Scrabble, Frustration, Twister, Rapedo, Cluedo, Game of life, Buckaroo, Hull Monopoly. **Email to AM/JS re board game list.**
- Menu seems to be a lot better and children enjoying the meals. The children have asked for better ingredients regarding spicing some of the food up as they think some dishes are a bit dull. Children also need to state what filling they require if ordering sandwiches. Put on the options form. **Tracy (cook) will speak to TL re the menus. Feedback at next house children's meeting.**
- Sports equipment for the houses seems to have fallen away slightly. What has happened to the list put together by RS. **NL to speak to RS as to where we are at with the list.**
