(see minutes)</p>

RESIDENTS COUNCIL MEETING

MEETING MINUTES

Farmers market reminder

We discussed with the council to pass onto the houses that the farmers market will be fast upon us and houses need to get their orders in regarding ingredients / games etc.

Residential Rec Room

Most of the meeting was taken up with issues surrounding the residential rec room. This included the following issues.

What will be in the rec room?

When will the rec room be open on an evening?

Who will access the rec room?

Who takes responsibility for the rec room?

Are we allowed food in the rec room?

Could we have a residential tuck shop in the rec room?

Will access to the rec room be behaviour led?

Would a rec room rota be drawn up so we all knew who was using it and when?

Who will check for damage so that other houses don't get the blame?

Lots of discussion took place around the various issues above and the council recommended that we meet with the leaders of the residential rec room, AM and JS in the next week or so to see how we move this forward. NL to email JS and AM with days and times etc for availability.

Ideas for the rec room included

Playstation

Xbox

Reading books

Bean bags

Sofas

Posters and pictures

Lap tops

Fidget balls

Fidget spinners

Foam pit

Vending machines

Art and craft corner

Head phones

Rugs

Cushions

Lamps
