<b><u>Comments made by students</u></b>	<b><u>Response/Actions by Jane Walton</u></b>
More drink options to be available at lunch flavoured water or fruit juice	Drink options to be considered and provided if and where possible - TBC
Different options to be available on Friday's as fish & chips is boring every week	Other options were discussed to be available - Burgers, pizza. This would be considered where possible
Can Coca Cola be available?	Unfortunately not due to School Food Standards which we have to adhere to
Can rice pudding be on the menu, portion sizes vary on both 1st and 2nd sitting often on 2nd sitting not much left	Rice pudding will be an option for pudding on new current menu, all portion sizes should be the same as food is produced dependant on numbers ordered each day
Can paninis be on every day and chocolate sauce for pudding?	Paninis could be available daily, I am currently looking to trial a new order system for lunches where more choice of meals could be available. We can look at putting chocolate sauce on with hot puddings on future menus
Cutlery is sometimes dirty	Will discuss this with Catering team and ensure all cutlery is checked prior to service
Should have bigger portions for lunch	Bigger portions could be made available but this would increase the price that is currently charged for lunch
More choice of puddings to be available - Cheesecake and cakes	JW to look at introducing more variety of cold desserts for lunch
Do we provide different types of foods for special diets?	We can cater for special diets and have a process to follow, special diet referral forms have to be completed which I will forward to Lee should this be a requirement
Why can't salt and ketchup be available for lunch	Due to School Food Standards we are unable to provide additional salt for lunch as we are only permitted to use salt in the cooking process, ketchup can be made available but would only be one small sachet equivalent 10g per student per day
Could we have bacon or sausage sandwich for breakfast may be once per week?	Within current pricing structure we can only provide cereals and toast
Can we have different fillings on sandwiches	Sandwich pre order can be arranged - form to be forwarded to site to include different sandwich fillings and bread options
More foods that we like to eat to be on menu Sausage & Mash, Macaroni cheese, stew & dumpling, fajitas, salmon pasta bake, enchiladas, mixed fruit salad, chocolate sauce, fruit fool	Most of these are now available for lunch on new current menu
JW discussed possibly trialling changes to lunch options up to end of term, more choice would be available lunch could be ordered daily or weekly from menu	Students made positive comments and thought this would be a good idea, as they would like to have the option of more choices for lunch, Mrs Davies to be consulted re trial for lunches - TBC
