OUTCOMES FROM PREVIOUS MEETING

- First meeting back after the Christmas holidays

RESIDENTS COUNCIL MEETING

MEETING MINUTES

- **CYCLING CLUB.** Council wanted to know if this was an option. Could we use outdoor education bikes or buy our own for the residential. Club maybe once a fortnight. Something different from what is usually on offer. **NL to pass onto SLT. Await feedback.**
- **FULL RESIDENTIAL 1ST AND 2ND ACTIVITY.** Council thought the last one to Scarborough just before Christmas was a great idea and all enjoyed it. **NL to speak to managers re-funding etc. hire of mini bus. Await further feedback.**
- **TRAMPOLINE IN BACK GARDENS.** Council thought this would be a good idea for when the summer nights arrive although recognised the risks involved when using such apparatus. **NL to speak to Managers. Await further feedback.**
- **SWING FOR THE BACK GARDEN.** Same as above.
- **ROCK CULTURE NIGHT.** Hawthorn House has brought this up and council liked the idea. Council suggested two pupils help organise. **NL to email and speak to SF who organises the culture nights. Await further feedback.**
- **NEW CEREALS.** Council wanted to know if we could change the cereal selection as the current one has been in place for a few years now. Ideas suggested are, Clusters, Sugar Puffs, Weetabix minis, Coco Pops and frosted flakes. **NL to speak to managers. Await further feedback.**
- **NEW XBOXES.** Council discussed this and all felt that the current consoles are well over 6 years old and are due a change. **NL to speak to DL and get further feedback as to funding etc.**
- **RESIDENTIAL TUCK SHOP.** All houses handed their questionnaires in with ideas of what to sell. Sent to EB for costings. Funding has been granted. **NL to speak to EB. Await further feedback.**
- **PUPIL LANYARDS.** This has previously come up at council last year and the consensus of SLT was that it was quite costly, particularly to replace id cards. This is a no at the moment.
- **AOB.** Council discussed decking in the back garden for the summer months. Council thought this was a good idea. This has come up before but plans never got off the ground. **NL to speak to PJ to see if the builders could part fund it, build it. Await further feedback.**
- **POSTERS FOR THE RESIDENTIAL REC ROOM.** Council wanted to know if there would be funding to help assist with the redecoration of the rec room. **NL to speak to DL and AP. Await further feedback.**
