OUTCOMES FROM PREVIOUS MEETING

NR – Confirmed that a table tennis, table, had gone in to finance just before Christmas for the CLC building but the order had been forgotten about. It has now been ordered and should be with us in the next few weeks.

NR – Confirmed that it was discussed at the last meeting the possibility of the Night Challenge going ahead in March however due to the ongoing covid concerns this isn't looking likely at the moment. Should the event take place later in the year NR will let everyone know.

JMendham stated that he was asked to raise whether they could have a pool table over at CLC. Staff and pupils were unsure whether there had already been a pool table already ordered or whether it was table tennis table. **NR** – Explained that it was a Table tennis, table however there is plenty of space over at CLC to have both, agreed that he would check what budget was left and see if one could be ordered.

J Mendham explained he had been asked to request a PS5 for CLC but understands that this is unlikely.

CWoodriff asked if they could have some new chairs over in CLC for the hub area as some of the chairs over there at the moment are damaged and are uncomfortable to sit on. **NR** – confirmed that he wasn't sure we had much of an allowance left as the equipment needed to protect the school for covid has eaten a lot of the budget up but would certainly enquire.

CWoodriff asked if they could have some more fidget toys for their sensory box over at CLC, Carly pointed out that they do not have many and they help people who cannot sit still. **RL** confirmed that this is something that **EWB** could help with and would look in to getting some more for them. Carly specified it was the cubes in particular that they would like.

Both **AHamilton** and **BJohnson** had nothing to bring to the meeting.

ACTIONS FOR NEXT MEETING

RL – To look in to **EWB** obtaining more fidget toys for CLC sensory box.

NR – To look in to purchasing a pool table for the CLC

NR – To look in to remaining budget to replace damaged chairs over in CLC
