Dear Parent/Carer

18th October 2021

RE: COVID-19 Update

We have had a number of students test positive this weekend on the lateral flow and also via the PCR. We are advising the return of face masks whilst moving around the building where social distancing is difficult. Although it is not compulsory we are also advising the wearing of face masks whilst in public transport including taxis to and from school. Face masks remain compulsory in school hired transport.

We are continuing to issue home testing kits and ask that you ensure your child is testing at least twice a week. Please continue to test over half term week and make sure they test on Sunday before they return to school. The test results should be reported to the NHS via the website and to the school if they test positive.

We have suffered some disruption to teaching but we are hopeful cases will drop again once we return after the half term break. Thank you to all those parents/carers who have acted quickly to keep children off school with symptoms or positive test results to prevent even wider spread of the virus. We have managed to avoid widespread disruption as a result and if we continue to follow the public health advice we can keep the vast majority of children in school.

Yours sincerely

A handwritten signature in black ink, appearing to read 'P.P. Davies', with a long horizontal flourish extending to the right.
