Website: www.oakfieldhull.co.uk

Headteacher: Mrs R M Davies BHed (Hons)

Dear Parents/Carers,

As you know, there have been various changes to the CLC building in recent weeks whilst the new heating system was being installed. During the Autumn Term, we have also had complications with the front door to the building, the door is being replaced on Monday 10th and Tuesday 11th January 2022.

In order to prevent further closures and disruption to the pupils' education, we have arranged for the CLC classes to take part in off site visits on these two days.

Class	Monday 10th	Tuesday 11th
3A	Puttstars Mini Golf (York)	Alpamare (Scarborough)
3R	Hornsea including Bugtopia	Hollywood Bowl and Footgolf
Nurture B	Outdoor Education	The Deep

The school will provide packed lunches for all children taking part in the visits. There may be changes to normal transport arrangements; the class staff will contact you separately to confirm the arrangements for each pupil.

Your child's involvement is subject to a negative Lateral Flow Test on Friday 7th January 2022 (in line with Government Guidance).

Please contact the school if your child will not be attending any of the visits and do not hesitate to contact us if you have any queries.

Thank you for your continued support during this time.

Yours sincerely

Aaron Wedgwood
Key Stage Leader

Name of Pupil _____

I give permission for my child to take part in the visits on Monday 10th and Tuesday 11th January 2022 as outlined above.

Signed _____ Date _____
