Dear Parent/Carer

### Important Information on Allergies

I am writing to inform you that we have a pupil who is joining Oakfield School in September 2022 who suffers from some serious allergies.

In line with the school's Allergies Policy and to minimise the risk of any child suffering from allergy-induced anaphylaxis during school hours, the following food items are prohibited on any of the school premises, with immediate effect:

- Nuts\*
- Lemons\*
- Bananas\*

*\*this includes any food/drinks which contain lemon, banana and nuts.*

I trust you appreciate the seriousness and life-threatening implications these allergies may cause, therefore, we ask that your child refrains from bringing any of these items onto any of the school premises, including The Rowan Building and on any offsite activity.

School staff and the catering department have been made aware of this information and are following the school's Allergies Policy and NHS guidance.

If your child suffers from any other allergies which are not listed above, please inform the school as soon as possible.

Yours faithfully

Mrs R M Davies  
Headteacher
