RESIDENTS COUNCIL MEETING

A.O.B

SF instigated a discussion about thinking of different things for the residential. The students suggested the following:

JB – Foosball table

CP/DH – Pool table.

Pool table has been discussed previously, SF explained that the pool tables in school can only be accessed until 20:00, also can sometimes be a clash of times with extended days. NK suggested doing some fund raising for a new one as they have been successful in raising funds for camp.

A new TV is needed in the main room in house 3 and old TV needs putting in the snug in house 3

SA – would it be possible to do some sort of spray painting activity like the theme day. We could do it on boards.

SF – Water jugs in house to be chased up.

Students in good spirits at the residential council meeting.

Meeting finished at 15:35
