OUTCOMES FROM PREVIOUS MEETING

- Nick welcomed and introduced himself to the new year 7 students and begun the meeting.
- Nick did look at getting another pool table for the Rowan Centre but had to get a foosball table instead.
- Nick has spoken with Julie in the Canteen regarding having more potato options on the menu. The menu has now changed and there are more potato options available.
- Nick also looked into getting a bike track on the field, however there is no budget for this.

Nick - Asked the students who would like to go first discussing any points brought up from themselves or their tutor group.

Charlie A – Has decided he wants to step down from being student president. He didn't feel like he had a good start to the term and the responsibility should go to someone else.

Nick – Asked everyone if they had any ideas on how the voting for the new student president should be run. Should it be open to anyone to apply? Should it be the students or staff who vote and make the decision?

Some students said that they think it should be a Year 11 who should be student president as they are more mature and that it should be staff who vote and make the decision.

Nick – Said it was a good idea for a Year 11 being a student president as the previous one was a Year 11 who was very mature and did a really good job. Nick also asked if the two Year 11's in the student council meeting would like to put their name forward.

School Council Meeting

Jack B – Would like to put his name forward for school president.

Amy H – Would also like to put her name forward.

Nick – Will send out an email to tutors asking if any other Year 11 would like to put their name forward and start the process of voting for another school president.

Nick – Asked if anyone else had anything to bring up?

Amy H – Nothing to be brought up.

Isaac B – Nothing to be brought up.

Connor C – Nothing to be brought up.

Decon B – Nothing to be brought up.

Layton T – Nothing to be brought up.

Marley M – Would like to move class. Nick stated that this wasn't really student council business and he would need to speak with Lee Thompson.

Robin D – Nothing to be brought up.

Riley G – Asked if they could have more FIFA games for XBOX 360 for Rowan.

Decon B – Wanted some more different games for the XBOX 360 for Rowan.

Jacob G – Would like FIFA 23 and a wrestling game for the REC room.

Nick – Obviously games are expensive so Nick would have to see what he could do.

Nick – Joe F from 3W had emailed Nick to ask him about having more Rugby in school. Nick said this would only be Touch or Tag and not full contact.

Jacob G – Thought it would be a good idea for a covered seating area outside – but not a very large one. After a discussion with Nick it was thought the seating area for around 8 would be sufficient.

Jack B – Would like more football played against other schools. Nick said that there is an upcoming game against Phoenix and future matches depend on how this game goes.

Jack B – Discussed about speeding up the pool tournament. Nick to look into this.

Marley M – Thinks a FIFA tournament would be a good idea, Nick said he would look into this.
