Can't access some games on the Xbox, won't open ones, even though connected, this also happens in house 1. DG / TM too look more into this.</p> <p style="text-align: center;"><u>Activities</u></p> <p>SC – Discussed extended days and some of the residential students that join in on extended days. Depending on the activity taking place depends on if they like going over or not.</p> <p>LP – Starting a community activity, which involves door to door drop offs. For example, if someone struggles to get out over the winter we can go get them a small shop in. A poster will be created and leaflets going out tomorrow in local area. Staff and student's introducing themselves to the community, so the community know it's a trusted offer.</p> <p>JB – That's nice</p>

A.O.B

JB – NO

CB – NO

DH – Suggestion of residential Ipad. Was informed won't be able to use it for Pokemon go.

JW – do any other students have any ideas for pictures for the walls in rec room, also suggestion of a cabinet with wheels for the tv. This is so that when we change the rec room we can move the tv where needed.

LP – House 5 have contributed to the shoe box appeal. This was suggested by JW and will be donated to Age Concern.

JW will be sorting the resi rec room. Suggested that the corner desks don't get used and these could be removed in order to make room for the book cases, which then creates space for the pool table.

Meeting finished at 15:28.
