## **OUTCOMES FROM PREVIOUS MEETING**

The last residential council meeting was on Monday 5th December 2022. Outcomes from the meeting include:

- Fundraising for the pool table continued. Awaiting Confirmation of overall raised.
- The community activity has been advertised with staff and students handing out flyers and knocking on doors in community, speaking to residents. So far had no reply's.
- JW sorting resi rec room – Awaiting to confirm on pool table, which can then potentially lead to relevant steps been taken to rearrange rec room.

## **MEETING MINUTES**

### Welcome

Today's meeting was slightly different due to low student numbers. However, DH actively listened and engaged well throughout. DH was awarded Epraise for this.

SA had asked it to be handed over that the school and residential have a pyjama day. This would include both staff and students and could help raise funds for the residential camp trip at the end of the academic year. Suggested donation of £1 per staff and 50p per student.

SA also asked for more pineapple in the house as she likes to have this in a morning.

MF – Cheesecakes to be made for sale, this is an ongoing project with date to be confirmed.

DH – discussed an Xbox games pass; this is something that has been discussed before but due to the setup of purchasing the games pass it is not possible. However, could look at buying new games for the xbox. All xbox's need checking to make sure there is enough equipment I.e controllers and are in working order.

No other issues.

Meeting finished at 15:15
