JW SA ID DH BG	MK SC TM RB LP

## **AGENDA ITEMS FROM PUPIL HOUSE MEETINGS**

<p style="text-align: center;"><u>Pine House</u> N/A</p> <p style="text-align: center;"><u>Willow House</u></p> <ul style="list-style-type: none"><li>• Vinyl black board</li><li>• TV Internet access for Netflix</li></ul>
--

## **OUTCOMES FROM PREVIOUS MEETING**

The last residential council meeting was on Wednesday 29<sup>th</sup> March 2023. Outcomes from the meeting include:

- Xbox controllers: there is an Xbox in each house with one controller. Ideally 2 controllers would be good. There is another Xbox in resi rec room, although no controller or power lead. Broken controller has been removed and replaced with a working one. Password discussed in main body of the minutes.
- Sand pit - unfortunately due to sand attracting vermin, this has been deemed a health and safety issue.
- Bucket swing - due to the cost and resi still fund raising for a pool table, this is to be put on hold, as the nice weather can go do outdoor activities such as going to the park.
- Staff have decided they do not want to use the booking in and out system for the DVDs in the rec room.
- The charity football can go ahead TM and JB to organise this.
- SA wants a PJ day - MF organising this.
- Car Wash - to continue.
- Activities mentioned to be organised over the summer term
- Cake sale and fun afternoon raised £94 - SC massive well done to everyone involved.

## **MEETING MINUTES**

Welcome  
House agenda's

LP: near the stairs, having chalk vinyl board on this so people can doodle. This was JW's idea. LP and JW to check price and potentially sort this. Look at different options available.

LP: Access Netflix on smart TV, is this possible. Will need Wi-Fi passwords. Discussion had about attempting to source these currently. SC: suggested going straight to RM about this. DG to chase this up.

# RESIDENTS COUNCIL MEETING

## Residential Camp

SC – going to a place near Leyburn somewhere in the dales. This will be about a 2-hour drive and is in the middle of country side. Accommodation will be three log cabins, there is a football pitch, BBQ area, TV room, animals, games room, park.

Day One - On Wednesday (21<sup>st</sup> June 2023) morning will leave school at 8 am drive past Scarborough to open water park to do an assault course, paddle boards, low ropes and zip wire. Then travel to accommodation and unpack, set up for evening. Do we then go to park or waterfall. To decide on the day? Coming back having tea, chill, DVD and bed

Day 2 - Up early travelling to Black Pool for Black Pool pleasure beach

ID – Can I go on the big ride?

SC – yes I will go on with you

DH – What about Alton towers? SC consider for another year as plans already in place.

Full day at Blackpool, can bring money if you wish and go get chippy and go in amusements.

Day 3 – packing up and travelling home, you will be dropped off at home on the way home from the resi camp, not returning back to school.

Can print off pictures about this camp to show what it looks like.

## End of Term Activity

Year 11 leavers have asked to go out with MK to wings as a leaving night, having spent a lot of their time with him whilst they have been on resi and would be a nice end to residential.

## A.O.B

SC: what activities would you like to see during the summer term? If wanting to do regular things, ideas are welcome.

MK: can use Epraise, LP: need two days' notice to sort Epraise

ID – Water balloon fights/water fights

SA – Water guns, MK to check these can be used

BG – Spare shoes and clothes if having the water fight to change into.

DH – I would like one to one fishing.

SC – Would you be interesting in crabbing?

ID - Sure

MK – Take into account cost of activities and use Epraise appropriately for these.

Pictures from cake sale and fun afternoon 😊

# RESIDENTS COUNCIL MEETING

Meeting finished at 15:25.
