

Duke of Edinburgh

Teachers: Stephen Sunners, Neil O'Donnell, Maria Brennan

The D of E Award allows our students to develop essential life skills that will give them an edge over their peers when moving on into the world of employment.

There are 4 main sections to the D of E Award, each designed to benefit not only our students but the wider community as a whole. They involve helping the community/environment by doing volunteer work, becoming fitter and adopting a healthier lifestyle, developing new skills and planning, training for and completing an expedition.

Schemes of work:

Duke of Edinburgh Bronze Award
