Dear Parent/Carer,

To help support and assist pupils during the 2023/24 exam season, key subjects will be running revision clubs after school. These clubs will not be compulsory, but as a school we feel they can be very beneficial during this time. The clubs will run from 3:00pm - 3:45pm. We will arrange transport home after the revision session.

We expect full commitment from the students during these sessions in order to give them confidence and adequate preparation for their exams. We kindly request you to sign this letter to confirm that you have allowed your son/daughter to attend. We also need your son/daughter to sign the letter to confirm that they will be fully committed to the revision session.

If you require any further information, please do not hesitate to ring school.

Mr L Thompson

I give permission for my child to take part in the revision clubs as outlined in the above letter.
